**Relieving Principal’s Report**

*Dear Parents and Carers,*

*Welcome to Week 1.*

I hope everyone has enjoyed the break and is ready for a big last term of the year. Looking at the calendar we already have a lot booked in for the term. We start with the K – 2 Excursion to Wagga 13th October, Spring Round Robin 16th October, Kindergarten orientation sessions commencing on 23rd October and our Performance of Cinderella and Rockerfella 29th October.*
school in time for normal home-time routines. A permission note with details about the day has been sent home today.

**Rotary Readers**
This term we will have some volunteers from the Rotary Club of Finley coming in on Mondays, Tuesdays and Wednesdays to participate in the Rotary Readers Program. This is a program that has previously run in our school and provided an opportunity for students to further develop their reading fluency and skills by reading to the volunteers. Our local Rotarians were keen to get this program running again and we are most enthusiastic about it too. The students who read to the volunteers will be reading the readers they are working on in the classroom.

**Whole School Assembly**
Last term we found ourselves committed to other activities on many Fridays which resulted in Whole School Assemblies being held only on even weeks. We have decided that we will continue with fortnightly assemblies throughout Term 4. Whole School Assembly will be held every second week starting from this Friday 9th October. Assembly starts at 12:30pm, all welcome to attend.

**No Hat, Play in the Shade**
A reminder that it is our school’s policy in Term 4 that students wear a hat during playtimes. While the school hat is encouraged, students are allowed to wear any hat to school. Please make sure your child brings a suitable hat to school each day and that their name is clearly labelled on it. Students without a hat will be directed to a shaded area by teachers on duty.

Finally, congratulations to Kylie Edwards on her marriage to Doug McLean last Saturday. Kylie will be away for the next 2 weeks. Mrs Jade Balden was booked to teach KE during this time but unfortunately is now unavailable. Mrs Kaila Murrowood will be teaching KE. She is following Miss Edwards’ regular classroom program.

Have terrific week everyone!

Regards,
Amanda Lyons (Relieving Principal).

Excursion Payment Reminders
At the end of last term we sent home reminder letters for payments owing from this year’s Stage 2 and Stage 3 excursions. Can you please finalise payment as soon as possible. If you need to organise a payment plan please contact the office to arrange an appointment to discuss this with Amanda.

School Banking
Welcome back to Term 4 of School Banking. Congratulations to Mackenna and Ashley on winning the lucky draw on the last banking day last term.

The rewards for this term are the Galaxy Glider (a space age Frisbee) and an Outer Space Savers Money Box. The Frisbee replaces the Luna Light Band that has been withdrawn. The ET DVD, Invisible Ink Martian Pens and the Intergalactic Rocket are all still available.

Handballs from Term 1 and the Glow in the Dark Solar System are no longer available as they have run out of stock.

Don’t forget to put your magnet on your fridge to remind you that Wednesday is school banking day.

December 16th will be our last banking day for 2015, that’s 11 bankings, so don’t forget to redeem your tokens and claim your rewards.

For those bankers that don’t keep their tokens in their wallets, I tried to send out a note with the last banking to let you know how many tokens you should have. The computer keeps a very good check on this so if your tokens don’t match your total, you won’t miss out.

Watch out for a little surprise in your wallets this week.

Thanks
Debbie.
