Welcome to Week 7! All classes are busy preparing their stalls for the fete which is going to be held next Friday 20 March, 2015. Apparently, I’m riding the mechanical bull! I’m not quite sure how I got myself involved in this but I do hope there is a soft landing.

Cross Country will be held in week 9 on Friday March 27. Students have started training for this event. Everybody is welcome to attend. Your support is always greatly appreciated and we look forward to seeing you there.

Healthy Harold Life Education Van will be at school from Wednesday of this week. Each class has an individual session and students do get very excited about visiting Healthy Harold!

Last Tuesday, we received confirmation of students who made it through to the zone swimming carnival. Congratulations to Mackenzie Hannan, Lenny Lewis, Jacob Orro, Dakota Pyle, Toby Wane, Tyrelle Taylor and Riley Weekes. We wish them the best of luck as they compete at the zone carnival held in Albury today.

Warm regards,
Melinda Williams
Principal

Wed 11th March, 4-3UR, 1-KL, 2-1H
Thurs 12th March, 6-5S, 2-1L
Friday 13th March, 4-3A
Monday 16th March, 4-3T, 6-5F, KE

SRC News

SRC members will be presented with their badges during assembly on the 20th of March.

School Banking

WOW... What a great week of banking last week. Don't forget to put in your rewards requests when you get to your 10 tokens. The first lot of rewards should start to filter through in the next week or so. Getting a bit of feedback about students missing banking day. Please remember to hand your books in when you get to class on Wednesdays so you don't miss out.

Debbie.

P & C News

The P&C meetings are held on the 4th Monday of every month in the school staff room. Please come along, hear what is happening and share your ideas. The AGM will be held on the 23rd of March, starting at 7pm.
Science

All students across the school have been participating in Science lessons with Miss Dring. Stage One have been exploring a unit of work called ‘Spot the Difference’ and they have been looking at the different properties of solids and liquids. This week, the classes have experimented with building spaghetti towers and have been comparing the differences between cooked and uncooked spaghetti.
